SOLUTION

CLESCRANE PROVIDES SUSPENSION CRANES

INTEGRAL SOLUTIONS

At the design stage, a tailor made scheme had been made for our customer. According to the needs of the whole process provided by the customer, an integral solution has been given.

We recommend the CHX series suspension crane based on customer's workshop structure and actual requirement.

The excellent crane quality wins customer's highly approval. The core parts of Clescrane products are imported and we cooperate with international famous brands, such as Schneider, SEW, ABB, Siemens etc. The design and manufacture is strictly followed the standards of FEM, EN and DIN. The crane has the features of working smoothly and steady and highly cost effective. At the same time, the cranes are free from maintenance and the later repair cost is very low.

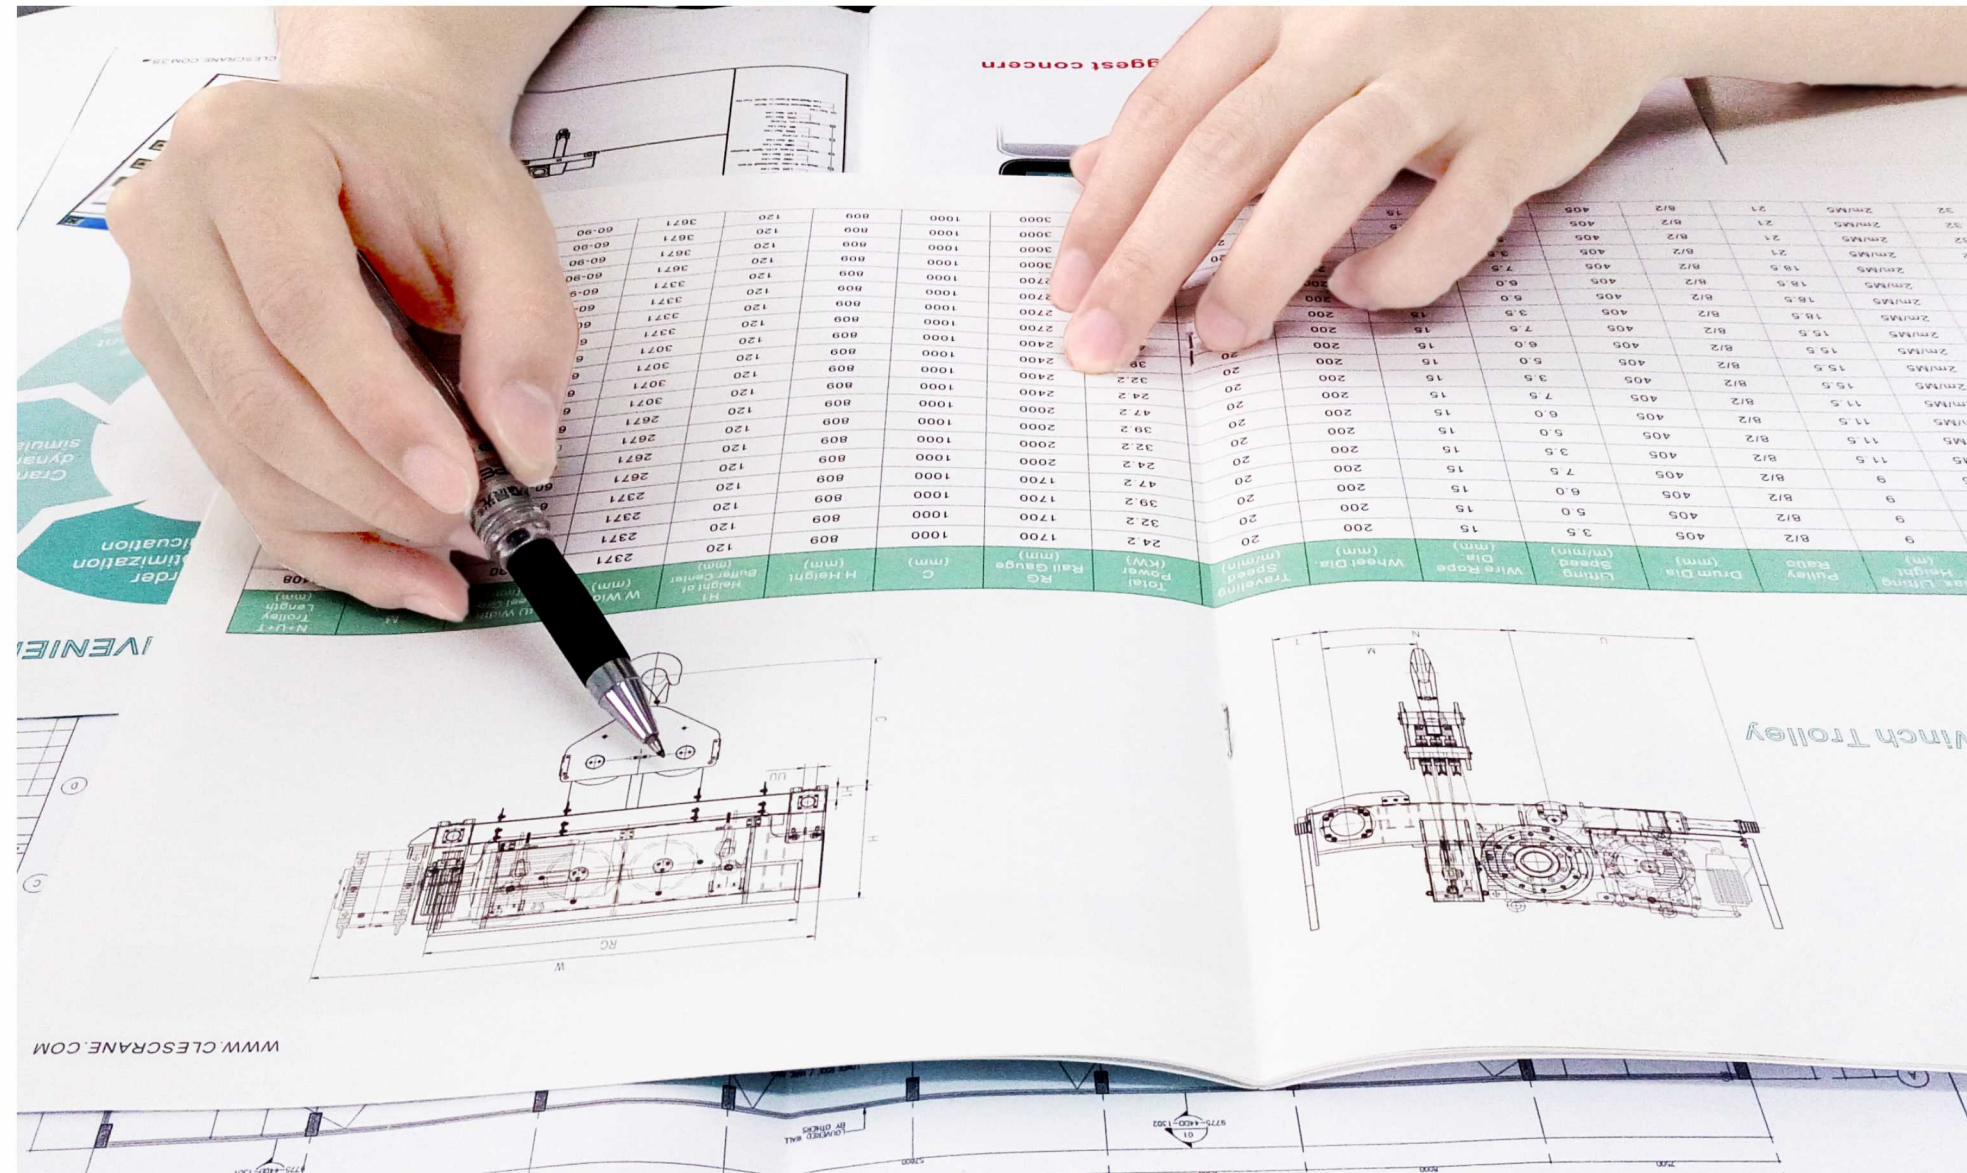

In September 2015, Clescraane had established cooperation with Bangladesh Clothing Factory and signed a contract of one CHX serial Suspension crane.

European standard, Top quality
High Efficiency, Energy Saving, Safety.
To provide complete solution of cranes and materials handling.
We create values continually to our customers.
