CHALLENGE

Growing company requires more cranes

Honduran advertising group was founded in 1964, is a leading international advertising company, Honduras is also one of the largest advertising agencies in Central America. It is the largest company in Honduras as a print communications and digital platform, it has the largest circulation of newspapers, magazines and the most popular news websites in the country.

As the circulation of the newspaper increased, in order to meet the increasing demand, new factories are being expanded in 2016.

Tailor Made Solutions

From the designing stage, we provide clients the tailored solutions, strive to make every crane perfectly customizable, Make sure that every lifting solution satisfies the customer's need for lifting.

Clescrane provides customized cranes for different manufacturing processes solution, which makes the operation safer, more efficient, and more productive. In addition, we also invest in research and development to add a variety of new functions to cranes to enhance their safety and productivity in the application.

Clescrane YOUR PARTNER

- ▶ European standard, first class quality.
- ▶ High efficiency, energy-saving, safety.
- ▶ Provide you complete solving plan for crane system and material handling lifting.
- ▶ Clescrane will create continuous value for customers.

SOLUTION

Clescrane provides overhead cranes

Through complete detailed communication, according to the customer's actual requirements, we recommended CHD Series Double Girder Overhead crane to our clients.

In March 2017, Clescrane with Honduran advertising group reached cooperation, signed one set of double girder overhead crane (CHD40t-10.9m H=15m A4), used for lifting installation printer.

Equipment List

Model	Qty.
CHD40t-10.9m H=15m A4	1

RESULTS

Quality products and service
satisfy the customer

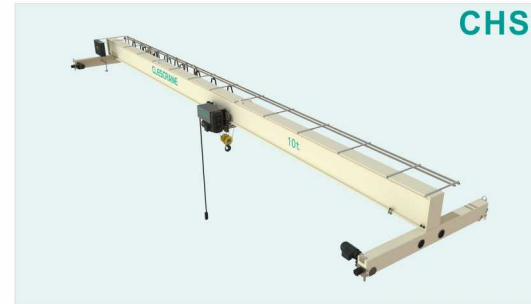

The printing industry has always been one of the major industries that Clescrane offers solutions, we use the rich experience of the industry, and provide professional solutions to satisfy many of our clients. Expect the process, we can help customers improve their efficiency.

Honduran advertising group is satisfied with Clescrane's Solutions and products, and hopes to continue the cooperation in the later projects.

Obedience to "We won't sell the future for a short term profit" management idea, in recent years, Clescrane Orders have been growing in Honduras and throughout South America, in the country and the region, Clescrane has won high praise from customers and good reputation. As the Clescrane business expands in South America, Clescrane will be chosen by more and more customers. Clescrane will continue to provide customers with the most reliable and efficient materials handling solutions and high quality products.
